Open Access

Erratum to: Traditional use and management of NTFPs in Kangchenjunga Landscape: implications for conservation and livelihoods

Yadav Uprety^{1*}, Ram C. Poudel², Janita Gurung³, Nakul Chettri³ and Ram P. Chaudhary^{1,4}

Erratum

In the original publication [1] the species name Kutki (*Neopicrorhiza scrophulariiflora*) is wrongly mentioned as CITES listed species. The correct version of the sentence in the second paragraph of “Threats and conservation challenges” can be found here:

Illegal trade of NTFPs from the landscape often includes some of the CITES Appendix listed species such as Sunakhari (Orchids) and Lauth salla (*Taxus wallichiana*).
